

AMA(SA) AWARD 2010

CLOSING DATE: 5:00PM ON FRIDAY, 19 FEBRUARY 2010

The AMA (South Australia) each year recognises the significant contribution to medicine by a member who is notable for their commitment, leadership and contribution to medicine in this state. The award provides an opportunity for peers to honour the work of colleagues who have given outstanding service while receiving little recognition for their work. It is expected that persons nominated will have demonstrated a tireless dedication to service to others, or their chosen field, or be pioneers who have worked without seeking recognition for their efforts.

NOMINATION

NOTE: The person nominated **should not** be informed of the nomination.
